

EXHIBITIONS

Raising HIV Awareness

We have the pleasure to invite you to a one day conference we are hosting in London this December. This is a conference where faith leaders from across the country will come to discuss, learn and pray about HIV/AIDS. There is much need to raise awareness to protect people and help save lives. So take advantage of this opportunity:

- to meet new people from across the UK;
- to learn about HIV as you exhibit;
- to interact with your customers;
- to build networks;
- to publicise your organisation;
- to make money as you sell your products and services.

GOD BLESS YOU!

The Interceders Conference
Emmanuel Centre
8 December 2007
10.00am to 10.00pm
